

# Netting

## COMPRESS AND PACKAGE YOUR TREES FOR EASY HANDLING

**Customer Convenience**  
**Increase Profits**  
**Reduce Labor**  
**Easy to Use**

Provide your customers with packaged Christmas Trees for easy handling. A netted Christmas tree not only makes transporting simple, but also makes it easy to bring the tree through doorways without damaging the tree or house. It is like putting handles on the tree! The Christmas tree baling system provides an economical way to increase customer convenience and keep them coming back year after year. Choose from the two different varieties of netting shown below.

### TNI woven red and green netting

1" mesh

TNI netting comes in cartridges of 1,040 ft. 3 pack/bale  
 1 bale = 3,120 ft

TNI Netting is packaged for shipment in bales of 3 cartridges each. A single bale of 23" TNI netting would be 3 cartridges at \$49.00 each, totaling \$147.00. Volume discounts apply for invoices over \$3,800

Size	Pack	Item Code	Wholesale	>\$3,800	>\$7,500
<b>TNI Woven Red &amp; Green 1" Netting (yarn)</b>					
18" x 1040'	3	TNI181040	42.00ea / 126.00 bale	40.74ea / 122.22 bale	39.48 ea / 118.44 bale
20" x 1040'	3	TNI201040	44.00 ea / 132.00 bale	42.68 ea / 128.04 bale	41.36 ea / 124.08 bale
23" x 1040'	3	TNI231040	49.00 ea / 147.00 bale	47.53 ea / 142.59 bale	46.06 ea / 138.18 bale
26" x 1040'	3	TNI261040	56.00 ea / 168 bale	54.32 ea / 162.96 bale	52.64 ea / 157.92 bale

Volume price breaks are based on combined order total for each shipment. See page 6 for details.

### Pursell extruded opaque netting

2" mesh

Extruded netting comes in cartridges of 700 ft. 5 pack/bale  
 1 bale = 3,500 ft

made in the  
**USA**

Extruded Netting is packaged for shipment in bales of 5 cartridges each. A single bale of 23" netting would be 5 cartridges at \$28.50 each, totaling \$142.50. Volume discounts apply for invoices over \$3,800

Size	Pack	Item Code	Wholesale	>\$3,800	>\$7,500
<b>Extruded white 2" netting (monofilament)</b>					
18" x 700'	5	P18700	27.65 ea / 138.25 bale	26.82 ea / 134.10 bale	25.99 ea / 129.95 bale
20" x 700'	5	P20700	27.65 ea / 138.25 bale	26.82 ea / 134.10 bale	25.99 ea / 129.95 bale
23" x 700'	5	P23700	28.50ea / 142.50 bale	27.65 ea / 138.25 bale	26.79 ea / 133.95 bale
26" x 700'	5	P26700	30.40 ea / 152.00 bale	29.49 ea / 147.45 bale	28.58 ea / 142.90 bale

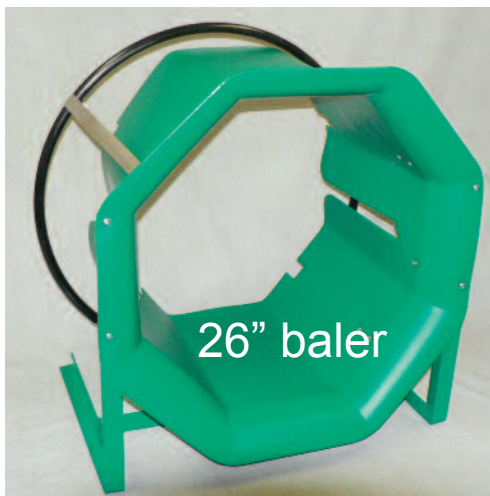

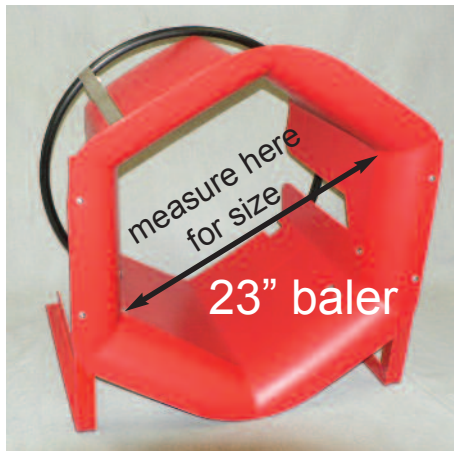

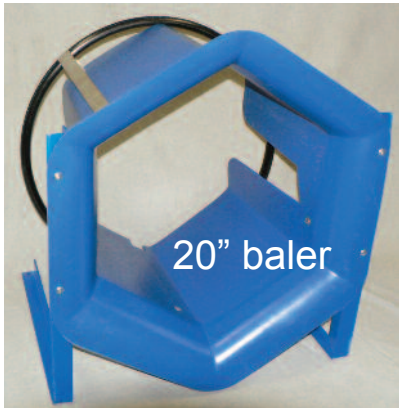

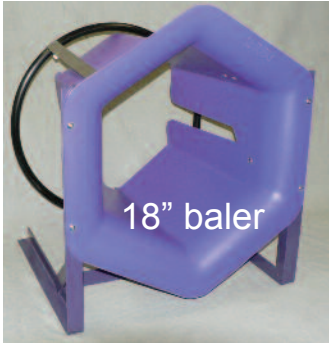

Volume price breaks are based on combined order total for each shipment. See page 6 for details.

### Woven vs. Extruded: What's the difference?

Woven netting is looped together in small links, making a strong fiber offering a soft feel, which easily compacts for shipping and disposal, available in TNI's Red and Green striped. Extruded netting is formed from stiffer continuous monofilament fibers, which are "welded" together every 2 inches, allowing for great compression and easy transport of the tree. All our netting is biodegradable.

# Netting & Balers

**BALERS** are available in 4 sizes, corresponding to the four sizes of netting, 18", 20", 23", and 26". Recommended tree sizes listed in the table below are general, for fuller trees use a larger size. Balers ship in oversize boxes, which cost extra for ground shipments when shipped alone as a "small package".

made in the  
**USA**

### How It Works:

1. Start the tree base through the baler funnel,
2. Grip netting and tree trunk together,
3. Pull the tree through baler to apply netting,
4. Twist tree, then trim netting to desired length.

See our instructional video showing how to net trees at [www.pursellmfg.com](http://www.pursellmfg.com)

### HOW TO MEASURE YOUR BALER

Baler size may be determined by color (see adjacent colors and sizes), or by measuring diagonally across the inside from corner to corner, (see photo of 23" baler, left).

### Baler parts now available:

retainer rings & spring clips, pricing below

Size	tree size	Item Code	Price
18" Baler	4-5' trees	BLR18	269.00
20" Baler	5-7' trees	BLR20	269.00
23" Baler	7-9' trees	BLR23	279.00
26" Baler	8-10' trees	BLR26	325.00
Retainer Rings	specify	BLRRING-(SIZE)	10.00
Spring Clips (4 pk)	universal	BLRCLIP	40.00

Volume price breaks are based on combined order total for each shipment. See page 6 for details.
